What is ScreenSkills Select?

With so many college and university courses in screen to choose from, it can be hard to find the best course for you and your future career.

ScreenSkills Select endorses and enhances screen courses that make it easier for you to get the job you want after finishing your studies.

I wanted to make sure that the course I picked was approved by an organisation that understands the current requirements of the industry.

Digital imaging technician **Christy Kail**, graduate of Select endorsed course HNC/HND Creative Industries: TV, Glasgow Clyde College.

I knew the university had a great reputation for animation. Plus, the fact it was a ScreenSkills Select course gave it even more credibility.

FX artist **Barbara Tucci**, graduate of Select endorsed course BA (Hons) Computer Animation Technical Arts, Bournemouth University.

We make sure that courses are addressing the main priorities for employers and that they have high quality teaching. Each ScreenSkills Select course is rigorously assessed by a panel of industry professionals to make sure you are best prepared for a career in screen.

If you're determined to start a career in film, TV, VFX, animation or games, then ScreenSkills Select gives you the confidence to make an informed choice.

A ScreenSkills Select course gives you access to a range of benefits including:

Employability training events

Intensive workshops to help you prepare for job applications and interviews, along with practical tips on how to network with employers and understand the freelance world of working.

Industry insight sessions

These sessions provide you with a deeper insight into a variety of in-demand screen industry job roles, and practical advice from industry professionals on pathways into these professions.

Scholarships and bursaries

Students on many ScreenSkills Select college or university courses are eligible to apply for BAFTA UK scholarships towards course fees.

ScreenSkills events and initiatives

Find out about further opportunities that could help prepare you to work in the screen industries, such as our regional Open Doors industry networking events or our Trainee Finder paid industry placement programme.

What next?

Get signposted to the courses with the best links to industry by searching our ScreenSkills Select directory of endorsed college and university courses.

Who are we?

ScreenSkills is the industry-led skills body for the UK's screen industries. We work across the UK to ensure that film, television (including children's, unscripted and high-end drama), VFX (visual effects), animation and games have the skilled workforce they need and to support talent at all career stages.

We also act as the body that connects further and higher education to the screen sectors. We develop apprenticeship standards and work with government and awarding bodies to influence the design of future screen qualifications.

I applied for a ScreenSkills Select degree because I trusted the course to keep up with the ever-changing pace with which the film industry changes. Because equipment improves rapidly it was important to me to choose a course that's up-to-date with current industry standards. I trusted that a ScreenSkills Select degree would offer me this and more.

Camera trainee **Caleb Johnston**, graduate of Select endorsed course BA (Hons) Film Production, University of Portsmouth.
